### Jade Gas Acquisition

On 7 July 2020, the Company announced that it had signed a binding agreement to acquire 100% of the issued capital of Jade Gas Pty Ltd (Transaction). The Company expects to be in a position to distribute the Notice of Meeting for an EGM of shareholders to approve the acquisition in the current Quarter.

- ***HGM must comply with ASX's admission and quotation requirements and therefore the Transaction may not proceed if those requirements are not met; and***
- ***ASX has absolute discretion in deciding whether to re-admit HGM and to quote its securities.***

### Austrian Gold and Cobalt Projects

On 26 July 2019, the Company announced it had completed a strategic review into the Austrian projects and concluded:

1. The Projects remain prospective for gold and cobalt mineralisation with the Leogang Cobalt Project and Kreuzeck Gold Projects considered key to the suite of Projects whilst Schellgaden has been downgraded as a result of poor drilling results; and
2. The Board has determined that the best strategy for the advancement of the Projects is to introduce a partner. The current market conditions preclude HGM from raising sufficient funds to advance the Projects effectively.

Consistent with the above, the Company continues to seek a partner to progress the Projects.
